

Relationships

The Nature of God

Isolation $\leftarrow \rightarrow$ Immersion

Which end of the spectrum do you tend to move toward and why?

Three Relationship Profiles

1. The Frustrated Relationship
2. The Enmeshed Relationship
3. The Isolated Relationship

Central Point and Applications

Central Point: God is a community and created us to live in community so that we may be a reflection of him.

Personal Application: I need to be properly involved in relationships.

Relational Application: I can only have satisfying relationships with others if I am in a right relationship with God.
